

# Rock, Mineral, & Fossil Collection Order Form – Sept.-Oct., 2009

## Item Update: **Minnesota Project Packets**

Here is a convenient, reliable and cost-effective way for students, scouts and home school classes to become familiar with the geology of Minnesota. These 120-piece Minnesota rock and mineral Project Packets are perfect for engaging young learners. They meet the Earth Materials requirement for the BSA & GSA Geology Merit Badge. Each Project Packet has everything necessary to create 20 take home 6-piece collections.
