I, _____, understand that I am required to attend all scheduled meets during the season. The coaching staff may excuse me from participating in certain dual meets if my absence causes no harm to the team and as long as I declare the absence on this form and submit the form on or before November 4, 2009.

I understand that if I am absent from any dual meet that I have not declared on this form, or if I am absent from any championship meet, I will forfeit my eligibility for a varsity letter. The only exceptions will be in the case of an illness or injury to me, which will require a note from my doctor, or if there is a death in my immediate family, which will require documentation.
