Call * first, then the other phone number. Always call ALL bolded numbers for rehearsal issues!

If I have inadvertently forgotten a name/number that should be on this list, please call Rob. Do the same if phone numbers have changed or don't work - mahalo!

Normally Robert calls these ">" first / OR the "Master Caller" calls these first | ">" People are head of a "team", they call the folks on their list | "no rehrsl call nec." means that these folk need only be called for special events , like parties [p] funerals [f], and special events [d] / The boxes on the right are for your "checking-off"
