Marriage Notes for CHARLES SMITHDEAL and CYNTHIA HAM:

They got married during the mid-winter semester break from college and had just finished exams from the first semester. She wore her evening gown that she had worn to the High School Junior-Senior Prom and her Senior Piano Recital. Her mother sewed long lace sleeves to the dress, matching the lace as well as possible, to give it more of an appearance of a wedding gown than a sleeveless prom dress. It was made of podisua satin with an wide fitted satin waist and large pleats in the floor length skirt. Above the wide empire waist was an attached lace over bodice.

It snowed the day they got married, about 4-5 inches. Some of the wedding party and other guests were not able to come that day because of the weather. They borrowed his dad's car, because neither had a car of their own. After the wedding at the First Baptist Church in Mooresville, North Carolina, they first went to his sister's (Aileen) house to change clothes. Then they drove to Statesville, North Carolina to their 2 room garage apartment, that they lived in for the next couple months until he graduated from Mitchell College. When they arrived at the apartment, all the lights were out. The landlord, who lived in the main house came over with candles and talked and talked for hours. He finally left about two o'clock that night. You could see the sky where the roof didn't quite meet the walls and some tiles were missing in the bathroom to reveal a "dirt" floor.

He worked at Harris Teeter Super Market part-time. She worked at a drug store as a soda jerk for a couple months, then went to work at Beaudit as a quality control inspector until he got a job with Woolworths and was transferred to Gastonia, North Carolina. That first summer after they married, they went to Myrtle Beach, South Carolina for a couple of days and stayed at the Cottonwood Motel. That was really their first real honeymoon.

Marriage Notes for EMILY SMITHDEAL and SETH SMITH:

Ref #1134; Emily's mother made the bridal gown of satin and venetian lace appliques and also made the bridal veil of two layers of the finest tulle with zigzag edging. The headpiece was made by overlaying a headband with matching satin and matching pieces of the venetian lace used on the dress with adding pearls and tiny ribbon. The tulle was tightly gathered and attached to the back of the headpiece. Her mother also made Aunt Julia's bridesmaid dress, and her mother of the bride dress. The bridesmaid's dresses and her mother's skirt was of an apricot colored polyester satin. Her grandmother, Olena Ham, made the flower-girl dress for her cousin, Jenny Perry. The wedding cake came from Ukrop's. Caston's photographed the wedding. Her mother organized and planned the reception after the wedding at the church. Ladies at the church helped serve and clean-up afterwards. After her mother carefully making a notebook of do-not-forget lists, the one thing that was forgotten was her mother's mother of the bride dress. Her daddy had to drive back home to get it about just an hour before the wedding.

Guests from North Carolina on the brides side included:

Grandparents: Leonard & Olena Ham, and Rachel Smithdeal

Aunts & Uncles: Julia Perry, Aileen Waugh, Barbara & Pressley Barnett

Cousins: Jenny Perry

Great Aunt (Granddaddy Leonard Ham's sister): Daisy Azars

After the wedding, supper for the Smithdeal's out of town guests and family was barbeque from Brock's Barbeque with all the fixings from Brock's at the home of the Smithdeals. The Smith family provided dinner for their out of town guests and family at their home.

The couple was given from the bride's parents as a wedding present, a night at the Brandermill Inn with Breakfast in the room. So, that's where they spent their honeymoon night. It was a very pretty, nice place overlooking the Swift Creek Reservoir between Brandermill and Woodlake in Midlothian, Virginia.
