Western Kentucky University  
Bowling Green, KY  
July 3-5, 2009

## Official Match Program

### SAFETY:

Safety is the number one concern of all match officials, adult leaders and competitors. Proper safety procedures will be followed and enforced at all times. During competition, infractions will be noted and one warning will be issued to the shooter and his or her coach. A second infraction will result in the disqualification of the shooter. **NO "SHOOTING CAMPS" WILL BE ALLOWED INSIDE THE RANGE.** While spectators are allowed in the range during competition, chairs and groups must be set up outside of the range. Spectators will only be able to sit in the bleachers and chairs already set up by match staff.

### ELIGIBILITY:

Entry in the tournament is limited to youth who:

- Have completed the Daisy/U.S. Jaycee Shooting Education Program or an equivalent course of instruction.
- Are sponsored by a recognized youth organization such as Jaycees, 4-H, Boy Scouts, Royal Rangers or other similar organization with responsible adult leadership.
- Are within the age limits: Participants must be at least 8 years of age and may compete through December 31<sup>st</sup> of the year in which their 15<sup>th</sup> birthday occurs.
- Are regular or alternate members of a team that qualified through a State Championship match.
- Are not individuals who have competed in the IBBGCM the previous year. Individuals who fire as regular members of a team competing in the IBBGCM are precluded from firing as a regular team member at the State and/or IBBGCM the following year. This rule assures that new shooters will get a chance to compete.
- Each team registration packet contains a medical and liability form for each team member. This form must be signed by the competitor's

parent of guardian and returned with the other registration forms before the competitor will be permitted to participate in the Match.

**SCORING:**

**TEAM COMPETITION:**

Teams are composed of five regular members and up to two alternates representing the same sponsoring organization. Scores of team alternates do not count toward team total scores.

**IBBGCM TEAMS:** If a sponsoring organization has more than one team compete in a State Championship Match, and one of those teams earns an invitation to the International BB Gun Championship Matches (IBBGCM), the sponsoring organization may select shooters from any of their teams in the State Championship to make up the team representing the organization at the IBBGCM. Only those shooters who have fired in a State Championship may be selected to represent an organization at the IBBGCM. A shooter must represent the same organization in both the State Championship and the IBBGCM. The names and scores of each shooter on an IBBGCM team must appear on a State Championship results bulletin representing the same sponsoring organization. No pick-up or state all-star teams are allowed at the IBBGCM.

**RULES:** Conduct of the IBBGCM will be governed by this Official Match Program and the current NRA 5-Meter BB Gun Rules but may be modified by a Match Director's Bulletin. Such bulletin will be published separately from this Match Program and posted on the Official Match Scoreboard.
