

Application for the Arthur P. Swanson Jr.
Humanitarian Award _____

This award focuses on the individual that helps others with no thought for their own advancement: they may not ever hold an office, head a committee or appear on TV, but they are the ones who are always ready to help the club, the Council or a fellow diver. They are the ones who are safe divers and make great buddies. They are an asset to any organization and we want to recognize them for their occasional "unseen" contributions to Scuba diving and it's Participants.
