

TROOP 461 IMPORTANT CAMPING NEWS!

Troop 461 has two exciting activities in the works for September and October.

Our annual whitewater rafting event will take place September 18th – 20th. This fun trip will include 2 nights of camping at a group campsite at Ohiopyle State Park in Pennsylvania and a rafting trip on the lower Youghiogheny River. Participants must be at least 12 years old to raft. All meals and rafting fees will be included in the camping fee. **The total camping fee for this activity will be \$75.00 per participant.** Parents and family are welcome. More information can be found at www.laurelhighlands.com.

We're trying something new this October. We'll be camping in Hocking Hills State Park and Ziplining with Hocking Hills Canopy Tours. This activity will take place October 23rd – 25th. All meals and zipline fees will be included in the camping fee. **The total camping fee for this activity will be \$110.00 per participant.** Again, parents and family (10 and older to zipline) are welcome. More information can be found at www.hockinghillscanopytours.com.

High Adventure Funds may be used for these trips.

Both of these activities require the troop to make reservations and significant deposits far in advance as these tours fill up quickly and we have had difficulty making rafting reservations in the past. Because of the commitments and deposits the troop must make, we will only make reservations for the number of participants who **commit** to attending the activities. In order to get an accurate count, we are asking that you reserve your slots by completing the forms below and returning them with the appropriate deposit amounts to Mr. Dlugosz or Mr. Mehling.

Whitewater rafting deposits are due **8/6/2009**.

Ziplining deposits are due **8/13/2009**.
