“KNOTSENSE”

News and Activities of Boy Scout Troop 461

June-July 2004

“News that ties us all together!”

Parents and Scouts:

Please sign up to help at the the Lions Hole-in-One Fundraiser in August. Our troop will provide 1/3 of the manpower for this event and will be earning 1/3 of the proceeds! We need 1-2 boys to help each day of the event and 1 adult to supervise the scouts! Half of the money raised at this event will go to the troop to pay for troop activities (rockets, trips to the rock gym, etc.)! The other half of the money raised will be divided between the scouts working at the event. This money can be used to help pay for scout camp or high adventure trips. Over time these fundraisers can provide a lot of money for an expensive high adventure trip in addition to helping the troop raise operating funds. We need everyone’s help to make this fundraiser a success! Sign up at a troop meeting or contact Ed Hargate (440-473-5476). Please help!

We also need help for the Captains’ Game Fundraiser on July 5th. Since this game is during the Philmont trip, we have a manpower shortage. Please contact Becky Knesek (216-381-5488).
