

# North Eastern Ohio Orienteering Club

## Event Results

Location: Mill Stream Park

Date: May 31, 2009

Format: Score

Conditions: Blue cloudless skies, bright sun, yet windy and cool, 60 degrees, some mud, and the wild undergrowth which is characteristic of the often challenging Mills Stream Park.

Courses: White Course, an introductory cross-country challenge; Score Course, where each participant is to find as many control points in any order and get back to the finish in 90 minutes. Time penalties for being over 90 minutes apply. Total possible points: 300.
