

City Quest 2009

Conditions: Upper 70s, mostly clear

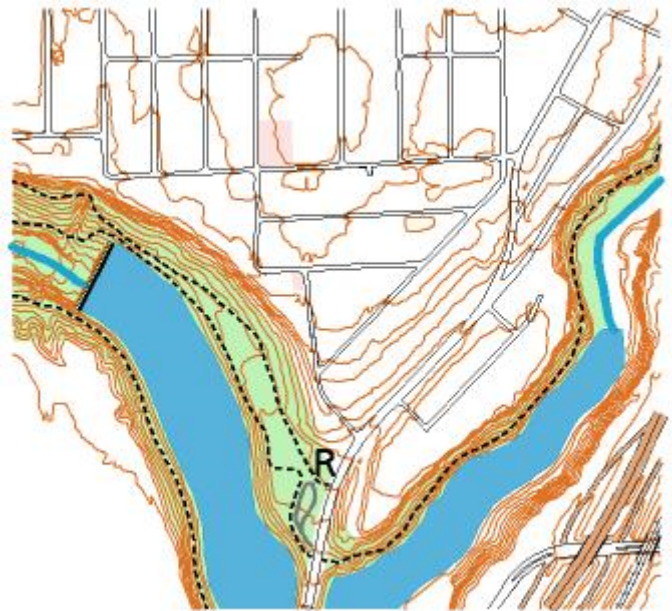

Course Designer: Bob Boltz

Event Director: Howard Montgomery

Registrar: Fred Mailey

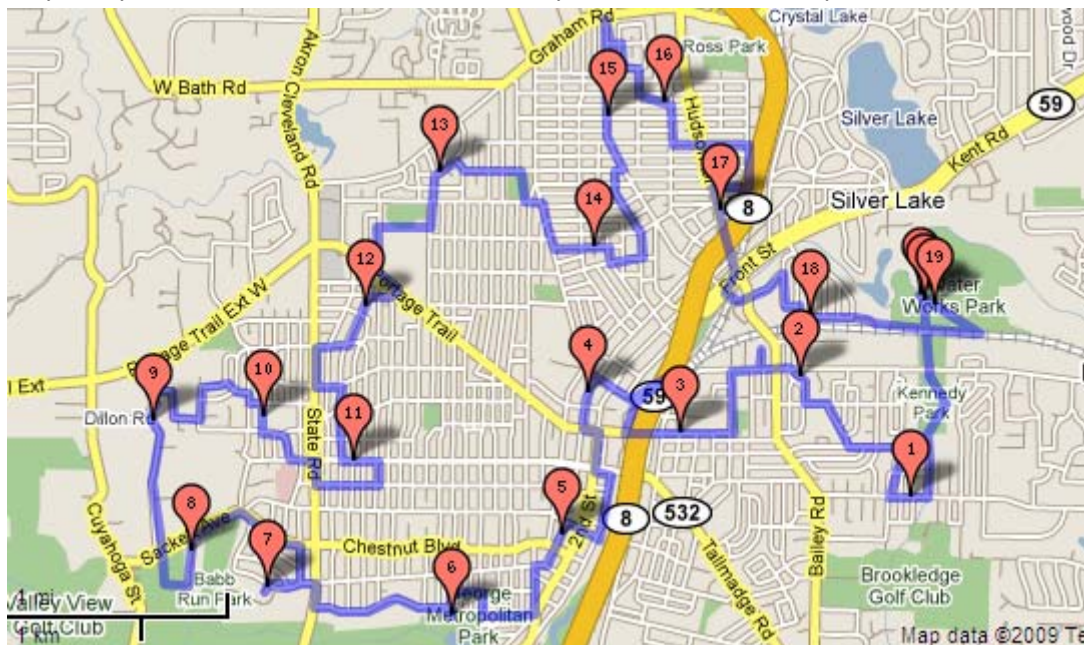

Control Collectors: Howard Montgomery and Fred Mailey

Participants: Over 40, in 29 entries.

Notes: We had a strong turnout on one of the first hot days of the year. There was hot competition as well, with only a few points separating the top few places in the 4 hr and bike categories. There were 67 (!) controls possible, 206 points. Not surprisingly, no one managed to clear the course, but several came close.

In the 4 hour foot division, John Hoffman of Canton finished ahead of Mike Minimum of the Cincinnati O-club by only 5 points. John has figured his distance and mapped his route on gmap-pedometer.com's web site. Go to <http://www.gmap-pedometer.com/?r=2919452>. (or see below). Julie Detamore won the 2 hour foot division, overcoming a substantial point deficit to Phil Nelson and Chris Bunch by coming in on time and avoiding even more substantial late penalties. In the Bike division, Dennis Babb nosed out Val Rachitskiy, who was just a few points ahead of Kim & Dan King. You may also note the addition of the 2 hour car division, which some participants invented because of a miscommunication at the start. Although this group achieved negative points due to a time penalty, they easily seemed to have the most fun of anyone in the entire competition!
