

## Results for the Boston Run/Happy Days Orienteering Event - August 22, 2009

### Cuyahoga Valley National Park

### North Eastern Ohio Orienteering Club

Conditions: Mostly sunny in the mid-70's, beautiful. Several mass starts were conducted starting at 12:10PM with the last person out at about 1:20PM. Ice cream treats were enjoyed by all at the end of their adventures.

Courses: Two courses were offered. The White Course (beginner's cross-country) had 18 participants in 9 teams and gave the participants an introduction to Orienteering. The Score Course challenged 62 participants in 38 teams to locate 23 controls in any order in only 90 minutes. A maximum total of 1130 points were available with harder to find and more distance controls given higher point values.

Thanks and Recognitions:
