TRAFFIC HANDLERS' PICNIC – Saturday, September 10

Originally a Second Region activity, this picnic now brings in people from all over the East Coast. The following information was provided by Jan WA2YL. Contact Jan for the LATEST news.

The annual Traffic Handlers' Picnic will be held at my summer QTH, in Egg Harbor Township, NJ, on September 10, 2005. There will be a dinner at a local restaurant on the evening prior.

Egg Harbor Township is located about 10 miles west of Atlantic City, and our QTH at 6708 Mill Road, EHT, is off Exit 36 of the Garden State Parkway. It's very easy to find... only a mile from the Parkway exit.

The date was changed from August 27th to Sept. 9th in order to take advantage of much lower motel rates after Labor Day. Since it appears the Miss America Pageant will not be held in September, we'll get much more reasonable rates at the hotels.... especially on Saturday night.

There is plenty of room for campers or tents on the property here, so bring those if you'd like. *Contact Jan WA2YL for information on local hotels, or visit www.wa2yl.com*

We'll be monitoring 146.52 in case you need directions . Also, the local repeater frequency ... 146.745/ PL 146.2 . Someone on there can help you if you get lost.

If you plan to be here for the dinner on Friday evening (Sept. 9th), please let me know so I can give the restaurant the actual head count ... or as close as we can get. Since it's a Friday night and the restaurants tend to be extra busy.

Don't forget, you're coming to the famous Atlantic City Boardwalk area, and there are lots of things to do if you want to extend your stay. The casinos are only minutes away ... and one of them is even offering free parking now... (check the billboards on the way in). And it's usually still warm enough in September to enjoy the seashore and boardwalk. I'll try to compile a list of who's performing, in case you want to see some shows.

Directions to 6708 Mill Road, Egg Harbor Township:

Take Exit 36 off the Garden State Parkway (Northfield, Margate, etc)

Bear RIGHT onto Tilton Road. Go to the first light.... Turn RIGHT. (Fire Road)

Continue 1 mile on Fire Road (to the 3rd light) Turn RIGHT ... (Mill Road)

Go two tenths of a mile and it's the first house on the RIGHT. Mailbox is in the shape of a house.

House sits back from the road ... easy to see. (We'll have balloons or something to get your attention!)

CAUTION ... Do NOT take the first driveway after the overpass... it goes back in to a condo development.

If you get to the light at Spruce Ave., turn around and come back ... you've gone too far.

Phone ... 609-927-6229 (daughter Anne Kemp's house)

Cell ... 239-560-8495 (WA2YL cell phone)

NEW JERSEY MORNING NET

Net Manager - Gerry N2GJ

That's another quarter behind us! Spring is pretty much history and now summertime blahs are affecting the bands. Hopefully, the worst of the July heat wave is behind us.

#####

WS2L has moved out-of-state so we are looking for a volunteer for the Tuesday night session.

The NJ QSO Party will be on the weekend of August 20-21. Plan to operate during the contest. Mark your calendar now.

Remember that the MINIMUM time for a net session has been reduced to four minutes.

My usual plea to make sure that all of the net sessions are covered and that the reports get to me promptly, particularly towards the end of the month. I really want to get the report in the mail to the SM/STMs on the first of the month. **I would appreciate it if I am not in attendance in a particular net session that stations in that net would make note of who was NCS so that I can get the report.**

PLEASE!!!

73,

Dave

Net Mgr's Woids,

Sorry about all that boring stuff... Stats are important to somebody so I have to put them in here. My "job" becomes so much easier with W2JG and WA2YL up from 4-land. I get a lot more sleep these days. Also N1JX has been a large help cueing up 630 2rn for NJN/E along with W2MTO. That's a chore for me as W2MTA, "The Big Kahuna" Bill Thompson, 2rn Net Mgr sends me nasty radiograms if NJ is not represented. I love him anyway.... WA2CUW is a mainstay at 930 2rn. He's always lurking in the woodwork to make sure that liaison to NJN/L is covered. I'd like to see some of the NJSN folks come onboard and help out with some slots. They have been "training" and I know they are ready for big time duty. Thanks to all of you who are so loyal to NJN. CW Forever.. de AG2R

There are two openings for NCS, those being Sunday and Monday. At present Lou W2LTF and Wayne KC2ANN have been covering those days in addition to their scheduled days. Due to my work schedule, I am not able to participate on Mondays.

If you are NCS and I am not checked in and you cannot participate on the following day, pass your net report to a station who will be on board the following day.

Traffic counts as well as participation have been on the rise for this quarter. If you are participating in another net and can take traffic to that net, you are encouraged to do so.

Enjoy a safe summer and "Lets Go Yankees and Mets".

46th ANNUAL NEW JERSEY QSO PARTY - AUGUST 20 - 21, 2005

The Englewood Amateur Radio Association, Inc. invites all amateurs the world over to take part in the 46th Annual New Jersey QSO Party.

RULES: [1] The time of the contest is from 2000 UTC Saturday August 20 to 0700 UTC Sunday August 21 and from 1300 UTC Sunday August 21 to 0200 UTC Monday August 22. [2] Phone and CW are considered the same contest. A station may be contacted once on each band - phone and CW are considered separate bands - CW contacts may not be made in phone band segments. New Jersey stations may work other New Jersey stations. [3] General call is "CQ New Jersey" or "CQ NJ". New Jersey stations are requested to identify themselves by signing "DE NJ" on CW and "New Jersey calling" on phone. Suggested frequencies are 1810, 3535, 3950, 7035, 7235, 14035, 14285, 21100, 21355, 28100, 28400, 50-50.5, and 144-146. Suggest phone activity on the even hours; 15/10 meters on the odd hours [1500 to 2100 UTC]; 160 meters at 0500 UTC. [4] Exchange consists of QSO Number, and QTH [State/province or country]. New Jersey stations will send county for their QTH. [5] Scoring: Out-of-state stations multiply number of complete contacts with New Jersey stations times 3 points per QSO times the number of New Jersey counties worked [maximum of 21]. New Jersey stations multiply number of complete contacts times 3 points per QSO times the multiplier. The multiplier is the sum of the number of states [other than NJ], Canadian provinces, and NJ counties worked - maximum is $49 + 13 + 21 = 83$. [6] Certificates will be awarded to the first place station in each New Jersey county, state, province, and country. In addition, a second place certificate will be awarded when four or more logs are received. A total of two plaques have been donated by the ARRL Section Managers for NNJ and SNJ to the highest scoring single-operator station residing in each of their sections. [7] Logs must also show the UTC date and time, QSO exchange, band, and emission, and be received not later than September 17, 2005. The first contact for each claimed multiplier must be indicated and numbered and a check list of contacts and multipliers should be included. Multi-operator stations should be noted and calls of participating operators listed. Logs and comments should be sent to: Englewood Amateur Radio Association, Inc., Post Office Box 528, Englewood, New Jersey 07631-0528. A #10 size SASE should be included for results. [8] Stations planning active participation in New Jersey are requested to advise EARA by August 1st of your intentions so that we may plan for full coverage from all counties. Portable and mobile operation is encouraged.

--- 3 0 ---

CLUBS: PLEASE PASS THIS NOTICE AROUND TO YOUR CLUB MEMBERS. CLUB COMPETITION WOULD BE APPRECIATED.

NETS: PLEASE ANNOUNCE THE QSO PARTY ON YOUR NET OFTEN.
