NOTES FROM THE EDITOR

PICNIC - The NTS Picnic was held on Sept 10 at the summer QTH of WA2YL in Egg Harbor Township and was a fine success. Many notable NJ traffic handlers were there, including N2GJ, N1JX, K2VX, AG2R, WA2CUW, KY2MMM, NJ5R, and (can ya believe) W2RQ. Also many other notables from around the Eastern Area, including W2MTA. Many thanks to Jan for putting on the show. Sorry I could not attend, due to family emergency which had me spending the weekend in North Carolina. Press CTRL and Click below to see some photos, courtesy of AG2R.

[View Photos](#)

And as a final note, we wish the best to Jan as she returns to Florida and deals with the aftermath of Hurricane Wilma.

PACKET – Sorry to report that the packet NTS network is not working in NJ due to the system failure at WA2SNA and the isolation of WB2FTX-4. We have no way to send outgoing NTS packet messages at present. However, if you can reach it, you can still drop traffic on K2UL-4 for distribution within Southern New Jersey.

FUTURE - Time marches on. This is the last NJTB which will be sent in this format. Future issues (if any) will be in HTML or PDF format and will be posted on the NJTB page of the NJ Traffic Handlers' web site.

<http://k2ul.home.att.net/njtb.htm>

Of course, I will still send paper copies to those few who do not have access, as well as providing plain text files to the vision impaired.

#####

WS2L has moved out-of-state so we are looking for a volunteer for the Tuesday night session.

Thanks for those that participated in the NJ QSO Party in August.

Remember that the MINIMUM time for a net session has been reduced to four minutes.

My usual plea to make sure that all of the net sessions are covered and that the reports get to me promptly, particularly towards the end of the month. I really want to get the report in the mail to the SM/STMs on the first of the month. **I would appreciate it if I am not in attendance in a particular net session that stations in that net would make note of who was NCS so that I can get the report.**

P L E A S E !!!

73,

Dave

NET NOTES -- I really hate this time of year. Not only is it getting cooler, heading towards winter but I am losing two mainstays of NJN operation. WA2YL has hit the trail already. She's been checking into the nets from her Avalon mobile. Her home antennas wound up in the pond with the manatees. We need a crew to go down and help her out. She'll pay for breakfast..... Also Joe "Boats" Gravel, W2JG will be following the robins into warmer weather. I can't tell you how much I'll miss their help with the nets. I feel this way every fall but we seem to survive. So, I'm asking you who participate to jump in on nets where no net control is present. We have a lot of them. Check out the function roster and see where you can help. We're not signing our life away here, just helping out with the system. Cheers 'n' Stuff, AG2R Your Beloved Net Manager

NEW JERSEY MORNING NET

Net Manager - Gerry N2GJ

It's another quarter behind us! Summer is pretty much history (finally) and now autumn band openings are beginning to affect the nets. At least we don't have to worry about hurricanes (too much) any more.

FUNCTION ROSTER:

SUN	MON	TUE	WED	THR	FRI	SAT
OPEN	OPEN	KB2VRO	KC2ANN	N2RPI	KY2MMM	W2LTF

There are two openings for NCS, those being Sunday and Monday. At present Lou W2LTF and Wayne KC2ANN have been covering those days, in addition to their scheduled days. Due to my work schedule I am not able to participate on Mondays. Recently Somerset County RACES completed their exercise drill. It is amazing that to date many amateur radio operators do not use the phonetic alphabet when sending traffic by voice.

On many occasions a station with a weak signal will check into a net along with their traffic report. You may hear the net control station acknowledge him/her by voice recognition. Recently a station checked into NJVNE using language not permitted on the airwaves. He used a callsign which I was familiar with and did not recognize his voice. As a result I did not credit that station as a check-in.

Unitl next time, enjoy the upcoming holidays and remember to vote on election day.

73, John N2RPI, Net Manager NJVN/E

JSARS TRAFFIC NET

Meeting nightly on 146.910 MHz, PL: 127.3 - 7:30 PM local time

Jul: Check-ins 383, Traffic 20/17, Net time 433 minutes, 31 sessions

Aug: Check-ins 251, Traffic 22/21, Net time 220 minutes, 31 sessions

Sep: Check-ins 173, Traffic 15/12, Net time 135 minutes, 30 sessions

Jim Trachta W2HOG, JSARS Traffic Net Mgr.

SOUTH JERSEY TRAFFIC NET

Net Manager – KB2RTZ

SJTN meets daily at 8 PM on the Burlington County OEM linked repeaters, 145.47- (Chatsworth) and 147.15+ (Mt Holly). PL is 127.3

Jul: Stations 52, Traffic 16/13 in 178 mins, 25 sessions

Aug: Stations 75, Traffic 18/14 in 240 mins, 31 sessions

Sep: Stations 62, Traffic 14/13 in 200 mins, 28 sessions

Congrats to Steve KB2RTZ who just got his General ticket and has become active on HF NTS nets.

I would like to thank KC2FYA for the many evenings he devoted to the late net and he is missed by all. Also a Thank You to those who ran the net in my absence on a trip to Mount Washington, NH. If anyone thinks our weather bad we drove up to the peak it was COLD as they had the second killing frost of the season in August. They just had a severe blizzard already 132 MPH wind ICE pellets 10 ft. deep. I am a member of Mt. Washington Observatory www.mountwashington.org and enjoy or better join.
