NEW JERSEY MORNING NET

Net Manager - Gerry N2GJ

It's another quarter behind us! Summer was spectacular, especially those rare occasions when the bands were open.

Don't forget to ask a friend to join in on NJM! As we get some new blood from General upgrades let's do what we can to encourage folks to help out!

Everyone have a wonderful Autumn going into Winter! Safe travels!

CENTER JUSTIFIED NOTES FROM YOUR BELOVED NET MGR.

We dun good... Net reports have been rolling in and my Microsoft Excel Spread Sheet, most appreciatively bestowed upon my computer by NJM bossman, N2GJ has had only one lost puppy. Most likely fell behind someone's toilet. My compliments also for the NCS's who plow through the madness of a contest weekend. In the beginning (HmMMM, sounds biblical, don't it??)... In the beginning of the ARRL fiasco of moving us into the den of commotion, I valiantly tried to find "an open spot." Folly !!!! So deemed it "OKAY" to plow thru and utilize the nifty filter in my trusty Icom IC-746PRO to separate the boys from themselves and us'ns.. Such a wonderful invention. Thank you, one and all, for your participation and diligence. Thank you for hanging in here. Thank you to so many stalwart associates who keep the ship on an even keel (that's NAVY talk). I want you to know I appreciate you all and have placed you in my will. I happen to be independently wealthy but all my money is in a Four Seasons in Uganda. Haven't seen a pittance in years.... Cheerio, Kiddies....

de AG2R

PS. Please excuse any typos, omissions or mental errors herein. I'm getting very old.
Almost as old as my trusty Harley..

Larry KA2HJH reported a Citizen Emergency Response Team (CERT) drill exercise in Northern NJ took place on Oct 13. This was shown on NBC TV News later that evening. It was reported that NJ has the largest CERT team in the US.

Recently Greg N2GS has become a regular member of the Navy-Marine Corps MARS. Welcome aboard Greg.

Until next time, continue to participate on CW, HF, and VHF traffic nets.
