W2ABL	20		
W2RF	20		

Our special thanks for these guys for their reliability.

WB2VEJ

It is with sorrow that we record the passing of Bill Shaw, WB2VEJ on June 25. Bill was one of our most active members.

in recent years. He often represented NJN on 2RN when the regular station would not show, thus saving NJN from missing a function. He also provided all traffic nets in NJ with a very reliable outlet into Cape May County. I understand from his son, Henry, that Bill really enjoyed NJN and working with us. He will be missed very much by all of us.

#### WORDS FROM THE MANAGER...

At print time of this bulletin there are still some late QNS missing (June 1, 4, 16, 20, and 22). The manager must have all net reports no later than the end of the month. He should not have to chase after these things. It is the responsibility of the NCS to get the QNS to the manager as soon as possible after the net (even at QNT to the manager if he's there). If the manager is not in the net it would be a good idea to give the report to one of the regular members of the net (by this I mean those who are usually on the QNT honor roll) to give to the manager when he's in the net. WA2DSA has offered to help with this when necessary. WB2RKK can take QNS on the following sessions: Fri/Late, Saturday/both, Sunday/Early. Also, if you know in advance that you will be away for a while (eg. vacations), give the report to someone who won't be away. Perhaps we can avoid having missing reports in the future this way.

It is worth mentioning that although QNT was up this month, traffic has been down considerably. This is not unique to NJN—all nets are feeling the summer slump...wait till November!

#### NJN Picnic

Once again NJN will hold its annual picnic on Saturday, July 23 27, at Shark River Park (near Asbury Park). Directions to the site are on the last page or so of this bulletin. As in the past there will be a softball game, waterballoon throwing contest, and a surprise door-prize. We have also extended an invitation to members of the other NJ and NY nets to attend. Hotdogs, hamburgers, and some soft drinks will be available. There will be an area to 'QNT' when you arrive. I hope everyone will make some attempt to be there, because this can be a lot of fun...if there are people there. One more thing—it will probably start sometime Sat. morning (10-12 or thereabouts) and end whenever...

#### Dates and Events to Remember

- July 13-14 Open OD Party. All ARRL members eligible. CW. Let's swamp 'em with "NJ"
- July 19-21 ARRL National Convention. There will be things there guaranteed to interest every amateur. For details write: National Convention, 303 Tenafly Rd, Englewood, NJ 07631. There will be a Public Service forum on Sunday, July 21, which should be of interest to any traffic handler, EC, or NJN member.
- July 27 NJN picnic. Details above.  
Open OD Party. Phone. All ARRL members eligible. Let's blow their minds with a mob of NNJ and SNJ stations.
- August 10 Annual NYS picnic. Newark Valley, NY (near Binghamton). This one's usually a lot of fun, if one doesn't mind driving some to get to it. Contact WA2DA (2RN Mgr) for details.

Events (cont'd)

August 17-18 NJ QSO Party. I hope everyone (even you non-contesters) will consider getting on (even if just for a half hour or so) so that we will have maximum participation. Details are included with this bulletin.

August 25 Annual NLI picnic. Hudson Division softball championship game. NLI won by forfeit last year. Contact WB2OYV or WA2GIX for details.

\* \* \* \* \*

to submit things to the bulletin, send to: W. S. Keller III WB2BKK  
27 Albright Circle  
Madison, NJ 07940

to send things to the NJN Manager, send to: Robert Schonok WB2RJJ  
2-12 Oakleaf Dr.  
Tuckerton, NJ 08087

News of Members

WB2BKC is home from school for a while...WA2BSU is now coordinator of Navy MARS nets... Welcome back to K2EQP, WA2EUX, WA2BKK, and WA2OYE..... WA2EUX has graduated from RPI and is moving to Texas where he will work... WA2SHT (dope) has a new keyer and has recently become the new NJ Phone net manager... Welcome back to WA2IUR... WB2BKK did not enjoy the water or poison ivy on this year's Field Day!... His 40 meter dipole is also back up... WA2DSA enjoyed getting away from it all for a week.
