

The New York Women's Agenda (NYWA) in collaboration with VISIONS/Services for the Blind and Visually Impaired (VISIONS/VCB) and The New York City Affiliate of the National Association of Parents of Children with Visual Impairment (NYC-NAPVI) LAUNCHES ITS FOURTH NEW YORK READS TOGETHER PROGRAM

## "SAMMY & SUE GO GREEN TOO!"

The *New York Reads Together* program is the only one of its kind in New York City. Its mission is to foster a love of literacy, build communication within the family and the community, and encourage New Yorkers to share the experience in their own way.

This delightful book is an eco-friendly, educational and endearing story for children five years and older. It is the first book in an extensive series that will lead children on thrilling adventures, while teaching them to value the planet and all of its resources, and how to live a healthy eco-friendly life.
