

Special Event for NYC-NAPVI Parents

(All parents of Children with Visual Impairments or blindness are welcomed)

Art Education for the Blind

Art Beyond Sight Institute

Workshop introducing our new online resources for parents and educators:

- American Identities. Exploring works of American and Latin American Art through sound and description.
- Recorded Verbal Descriptions of New York City Landmarks, A fun way to discover New York City with your children!
- Social and Independent Living Skills Curriculum through the Arts to explore table etiquette, fashion and public speaking with your children.
- A hands-on art workshop will be offered to children.
