We will be providing a sales and exhibit room for those who wish to sell vintage and modern 3-D stereoscopic items or other photo related items. The 8 foot banquet tables with table covers will be only \$35 each on a first come, first served basis. We have room for about 8 tables in the Stereo Theatre room at \$50 each. Right next door is a room devoted to all day continuous sales with tables at \$35 each. The Stereo Theatre Room will be of course dark during shows and sales in that room can only be made during times the lights are on. There is no organized room hopping on Friday but those interested may do so by simply having sales in their hotel rooms.
