

ERHARDT VIDEO SEMINARS

Contact hours now provided for our video rentals or purchases

Our Company

Erhardt Developmental Products® has been a leader in the production of educational and instructional videos since 1981. Several of our videos have won regional and national awards (see pages 2 & 3). We are committed to providing a variety of educational and clinical resources to professionals in the fields of education and allied health, and others who work with children who have special needs.

Contact Hours

In response to many requests for continuing education awarded through video viewing, we are pleased to announce a new series: Erhardt Video Seminars! You can earn contact hours at a fee of \$15 for each viewer plus the cost of each video purchase (VHS or DVD format), or rental (VHS format only). Each seminar package includes a Verification Exam. A grade of 70% is required to receive a contact hour certificate. If a passing grade is not obtained the viewer may retake the exam a second time at no additional charge. Certificates are dated the day the exam is received and state the name of the viewer, the title of the seminar, and are signed by Rhoda P. Erhardt, MS, OTR/L, FAOTA, President of Erhardt Developmental Products®, as the authorized sponsor.

Video Seminar Titles

Our most popular title, and winner of the Sage Award by the American Academy of Cerebral Palsy and Developmental Medicine, "Normal Hand Development: Birth to 15 Months", was our first Video Seminar, followed by "Normal Visual Development: Birth to 6 Months", "Development of Self-Feeding in the Normal Child", "Normal Components of Hand Preference", and "Evaluation and Treatment of the Child with Visual-Perceptual-Motor Problems". Check our web site, www.ErhardtProducts.com for information as additional seminars become available.

Procedure

1. Call or e-mail us to request a Viewer Agreement form (may be duplicated for multiple viewers).
2. Designate your choice of video seminar/s to rent (for one month) or purchase.
3. Mail the special order form (next page), your signed Viewer Agreement/s, and your check for prepayment.
4. Complete the Verification Exam/s enclosed with the video, and return (with the video if rented) to receive your certificate for contact hours, dated the day Erhardt Developmental Products® receives your exam/s.

State Licensure Requirements

All license boards have different criteria for continuing education. Check with your license board to be sure you meet your state requirements. Some boards may place limitations on the number of hours they will allow for Independent Study or Distance Education. It is the viewer's responsibility to understand and conform to their state license requirements. Contact hours include the time viewing the video and the estimated time required to complete the Verification Exam.

Compare! Video Seminars offer a substantial value to individuals as well as agencies:

- A fraction of the cost of "Live" seminars
- No lost work days, airfare, travel, hotel, or meal costs
- Learn at your own pace! No time limit on purchased videos, and one month on rentals.
- Purchased videos can be used repeatedly by agencies to train new employees.

Rentals for Video Seminars must be returned within one month, or a late fee of \$10 per day per video will be charged. If you wish to apply the rental fee to the purchase price, telephone us before your return date. Requested view date _____

Enclosures with videos include viewing guides, scored test booklets, suggestions for inservice procedures, and/or scripts for translation and hearing-impaired viewers.

Review of the video Normal Hand Development: Birth to 15 Months, by Professor Kevin Connolly, University of Sheffield, England. "I thought this was an excellent film and was most impressed by what you and your colleagues had accomplished. I am sure the presentation will be of great value in teaching, not only occupational therapists, but also in developmental psychology and pediatrics."
