INTERESTED IN MODEL TRAINS?
ENJOY GARDENING?
LIKE TO COMBINE THE TWO?

TRY GARDEN RAILROADING!

The San Joaquin Valley Garden Railway Society is a group of about 50 families that enjoy a fast growing hobby. We meet monthly at the home of a member and enjoy an afternoon of fun playing with our trains. We sponsor field trips and clinics several times a year and publish a monthly newsletter.

You are invited to join us at a meeting to see just how much fun it is. Visit us on the web for information and photos.

For further information and a complimentary copy of our newsletter, contact one of the members below.
